The biggest increase to the budget next year would be under fire protection where the Town will now be paying out \$4000 to B-E-D fire department. In road related items; Meyer noted that he received a letter stating that the bridge on HWY MM over the Wolf River is to be replaced and will require detours in that area. ABE concrete is still trying to come this fall to lay the rest of the concrete parking lot in front of the hall and shop.

In park related items there was new granite put on the driveway in the park. The popup camper that was sitting in the park has now been removed. Ed noted he thought there was a sign at the park that stated to contact the Clerk for bookings but the Town does not take reservations for the park so Ed will remove the sign.
