

Minutes for Town of Wilson Monthly Meeting 6/9/2026

The meeting was called to order by Chairman Dan Meyer at 7:00 pm at the Town Hall. Present was Chairman Dan Meyer, Supervisors Ed Shilts and Aaron Vizer, Clerk Danielle Barka and Treasurer Robin Richardson. Also present were Dave Shilts, Tom Richardson, Dan Solie, Ken Naus, Dan Solie, Wayne Bonick and Don Reit.

On motion by Shilts/Vizer the Board approved the minutes of the May meeting as printed.

The Treasurer's report was presented to the Board. The Board agreed to have the upcoming Bridge CD transferred to an MMA for now.

In road and park related items; the electric is now turned on at the park. Red granite has now been hauled and spread and the ditch mowing has been completed. The Bridge on Gravel Pit Road is set to be completed on June 26th. Ron will look into rebuilding the sander on the new truck; possibly a new hydraulic motor. Ken Naus and Dan Solie would like to continue to put dust control solutions on the road in front of their properties. The Chairman and Board decided to allow them to place the solution in front of their properties until the end of 2026 and then will revisit any possible new solutions in 2027. Don Reit noted that the ditching down on Tower Road near his property is creating excess sediment that is filling his culvert and in time will create a dam that could wash out his driveway. Dave said he would take a look and provide erosion control and clear out the culvert.

The Clerk submitted bills for payment; all of which were approved along with any others that arrive and are due before the next monthly meeting.

The next monthly meeting was scheduled for Tuesday, July 7th, 2026.

On motion by Vizer/Shilts the meeting adjourned at 7:52pm.

Danielle Barka, Clerk
