On motion by Shilts/Vizer the Board approved the minutes of the November meeting as printed.

The Treasurer's report was presented to the Board. The treasurer noted that the 6 month CD is coming up for renewal at 3.7%. The Board moved to roll the CD over for another 6 months.

Troy Bauer from GFL Environmental presented the new 5 year contract to the Board. The new contract would be \$660 per month and \$20/yard up to 8 yards for extra pickups. Per Vizer/Shilts the Board moved to sign the GFL contract.

The clerk submitted the election inspector list for the 2026-2027 election term and the Board approved. Inspectors will be: Jane Verfuert, Goldyne Shilts, Rose Pearson, Carrie Grunewald, Darlene Seizler and Robin Richardson.

In road and park related items; it was noted that the electricity was left on for hunting season at the park; however, there was a lot of trash left and hardly any donations were left. The Board moved that they would shut the electricity off from November 1st to April 1st this year. Ahern came to inspect fire extinguishers and everything looked ok. Ron expressed that the new truck works great but the wing has a spring that keeps resetting and he is wondering if it can be welded down. Meyer and Vizer noted they would look into having it welded.

The Clerk presented the Board with the new 2026-2027 Eau Claire County Humane Association contract. On motion by Vizer/Shilts the contract was approved.

In public comment Bill asked if taxes were based on fair market or assessed value. Robin gave him a website explaining.

The Clerk submitted bills for payment; all of which were approved along with any others that arrive and are due before the next monthly meeting.

The next monthly meeting was scheduled for Tuesday, January 13th, 2026 at 7:00p.m. at the Town Hall.

On motion by Meyer/Shilts the meeting adjourned at 7:43pm.
